

## **The PDF files are currently not available**

The invited speaker presentations from the ANZSNM 2016 Conference have been put on hold due to concern that unpublished work presented at the conference has been made available on this site because of confusion over a presentation file. We apologise to the presenter and hope to have this situation rectified as soon as possible. Please bear with us while we confirm with the invited speakers that these PDF files are okay to be made available.

Darin O'Keeffe  
ANZSNM 2016 co-convenor
